IMPORTANT: To benefit the most from your Cozy Dozys, please read this manual completely. Parental guidance is recommended.

INSTRUCTION BOOKLET

PET ME!

- Pet my head, my eyes will blink and I'll make contented sounds.

TICKLE ME!

- Tickle my tummy – my eyes will close, and I'll giggle.
- The more times you tickle me, the longer I'll laugh.

WAIT FOR ME TO FALL ASLEEP

- If you do nothing, I'll fall asleep after a few minutes.
 - You can wake me up at any time by:
 - Inserting my Pacifier.
- OR
- Moving switch from 'ON' to 'OFF', then back to 'ON'

TROUBLESHOOTING

For best performance and to avoid any potential malfunction

- Do not restrict movement of Eyes.
- Function does not match instructions.**
- Eyes move slowly, or not at all.**
 - Always ensure switch is 'ON', not in the 'OFF' or 'TRY ME' position. Batteries may be low. Low batteries may not allow full function. Replace both with fresh batteries as described in the 'Batteries' page of this manual. Always ensure they are placed in the correct polarity. Cozy Dozy may be in Sleep mode. In this case, turn 'OFF' and back to 'ON'.

Feeding does not work.

- Pacifier must be placed in the correct orientation – as pictured in the 'Soothe me to Sleep' page of this manual.
- The Pacifier has been designed to click into mouth - ensure you've pushed it all the way.
- Ensure you're not touching any of the sensors while attempting to feed.
- Petting or Ticking does not yield animations/sounds.**
 - Make sure switch is not in the 'TRY ME' position.
 - Make sure you're touching the Head or Stomach area directly.

- Ensure you're not touching both at the same time.

Short Battery Life

- Switch 'OFF' Cozy Dozy when not in use. If left on, sensors in Head and Stomach will remain active (waiting for touch). This will drain the battery faster.
- Do not restrict movement of eyes as this will shorten battery life.

CARE AND MAINTENANCE

After repeated play your Cozy Dozy may develop some dirt/marks on its soft surface. Gently brush with a clean cloth or soft brush and wipe off dirt immediately.

Do not use detergent or stain removers.

WARNING:

LITTLE LIVE™ COZY DOZYS CONTAINS ELECTRONICS; IMMERSING IN, OR PLACING UNDER RUNNING WATER/LIQUIDS MAY DAMAGE OR DESTROY PRODUCT.

SAFETY PRECAUTIONS

- Do not play in or around water.
- LITTLE LIVE™ Cozy Dozys contain electronics; immersing in or placing under running water/liquids is a hazard and may cause a malfunction, damage the electronics or destroy the product.
- This product is intended for indoor use only. Do not use outdoors - dirt, grass, cement will damage the finish and/or the sensors.
- Always turn off Cozy Dozys when not in use.
- High electrical interference (such as near a vacuum cleaner) may interfere with the toy's electronics. If the toy begins acting strangely it should be restarted.
- Move power switch to 'OFF' for about 20 seconds, then turn back 'ON'.
- If normal operation does not resume, move the product to another location and try again.
- Do not sleep with Cozy Dozys.
